Getting started with Reports   ‹

Use Cases   Quick Tips

Examples

You can use Reports however you like. Here are a few examples:

NOTE TO SELF

**Notes to self**
Add a graph to reference later.
See Example →

WORK LOG

Work log
Track what you've tried and plan next steps.
See Example →

NEW FINDINGS

Collaborate
Sharing findings with your colleagues.
See Example →

Featured Reports   **Go to Fully Connected →**

Check out how others are using reports:

NER BERT Eval Report

Add a description...

Youssef Khalil
